

Monday 4<sup>th</sup> July, 2016

## ACADEMIC NOTIFICATION

All students, faculty and staff are hereby informed that, as per the resolution in the 7<sup>th</sup> Academic Council Meeting of autonomous RIT held on Saturday 18<sup>th</sup> June, 2016, the assessment scheme and examination systems have changed from the academic year 2016-17 starting 4<sup>th</sup> July, 2016 for all the programs – B.Tech semester I to VIII, M.Tech and MBA for semester I to IV. The detailed rules and regulations after modifications will be available shortly in the booklet form on website and hard copy.

### Evaluation Scheme (Applicable to all Programs of Autonomous RIT)

ISE	Unit Test I (UT 1)	Unit Test II (II)	ESE
20 %	15%	15%	50%

The students is required to secure minimum 40% marks in ISE, UT 1 and UT II combined to become eligible for ESE and 40 % separately in ESE. The students are required to obtain 40% in Aggregate to pass the course for B.Tech and M.Tech Programs and 50% for MBA program.

### In Semester Evaluation In semester evaluation has two components:-

- 1. Attendance and class participation (10%)** The students for this component are evaluated based on regularity in attending class, participation in class room activities, discipline and behavior and initiative and punctuality in assigned work. The course teachers evaluate and submit the marks directly to COE. These marks will not be displayed to the students.

Sr. No.	Attendance	Marks
I	Students having attendance > 90% and active participation in classroom activities	10
II	Students having attendance between 86% to 90% and active participation in classroom activities.	09
III	Students having attendance between 80% to 85% and active participation in classroom activities.	07
IV	Students having attendance between 75% to 80% and active participation in classroom activities.	05
V	Below 75% and no participation in classroom activities.	00

- The Second Components of ISE is teacher designed assessment scheme which is pre announced by the course teacher. Teacher is required to use minimum two components. The weightage is 10 percent.

**Unit Test (UT I) 15 percent weightage** UT 1 is conducted in the 6th week of the semester. The test will be for 25 marks for 1 hour duration. One question each on unit 1 and unit 2 of the course syllabus. The marks obtained will be converted to 15 with no rounding of marks to the next digit.

**Unit Test (UT II) 15 percent weightage**

UT II will be conducted in the 11th week of the semester. The test will be for 25 marks for 1 hour duration. One question each on unit 3 and unit 4 of the course syllabus is to be set. The marks obtained will be converted to 15 with no rounding of marks. The UT 1 and UT 2 marks combined to be rounded to next integer as per the rules (> 0.5 to next integer value)

**End Semester Examination (ESE) 50 percent weightage.**

End Semester Examination is conducted after the end of instructions for the semester as a specified in academic calendar the ESE for the course have consists of two categories.

**i. Course with no MCQ (ESE 50 Marks)**

In such courses 2 questions, one each from unit 5 and unit 6 and one comprehensive question from unit 2 to unit 4 are set. Maximum. Marks are 50 and duration 2 hours. The student is requiring securing 40% marks separately to pass the examination.

**i. Courses with MCQ (ESE 40+10MCQ)**

The courses where there is an MCQ the weightage will be 50 percent ESE 10% for multiple choice questions for ESE, 3 questions in total are to be set one each from unit 5 and unit 6 and one from units 2, 3 and 4. The duration for the examination will be of 2 hours. The student is requiring securing 40% marks separately to pass the examination including MCQ.

**MCQ Examination**

There will be MCQ examination of 10 percentage weightage maximum of 3 courses in a semester should comprise 10 questions each. Total 30 questions 10 each from the selected 3 courses the duration will be 45 minutes and GATE level questions will be included. The marks scored out of 10 in selected course will be added to the ESE marks. The BOS will decide which 3 courses will have MCQ. The courses which have a major focus in GATE examination should be included for MCQ. And should be preannounced with notification

### Proposed system for Re-examination

The re-examination will be conducted only in the second semester. There will not be any re-examination at the end of first semester. The students will get two opportunities in the academic year to pass the examination.

Semester I (winter Examination)	Regular examination of odd semester only
Semester II (summer examination)	1. Regular examinations of even semester Supplementary examination of odd semester 2. Re-examination of even semester.

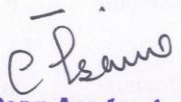

### Grade Penalty (New system)

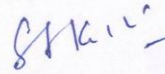

There will be only one grade penalty for the first three chances and ESE and ISE, UT 1 and UT 2 marks are to be carried forward. If the student fails to pass the courses in first three chances, from 4<sup>th</sup> and subsequent chances, the grade penalty will be two. In any case, his ISE and UT 1 and UT 2 marks will be carried forward. In case of XX grade, the students will not be allowed to appear for the re-examination conducted in the same semester. He is required to appear for examination when the examinations are held. It is 100% comprehensive examination. The paper of 100 marks covering all units for 3 hours duration.

### NFT Rule (Resolution of 6<sup>th</sup> Academic Council meeting held on 18<sup>th</sup> April.2015)

If a student fails to become eligible for admission to second year engineering in three years from the date of his/her admission, then he/she shall be declared as "Not Fit for Engineering"(NFT) leading to discontinuation of his/her registration with the institute. ( It is mandatory for a student to earn a credits specified for semester I and Semester II or eligible for ATKTK as per the rules to seek admission to second year in three years from the date of his/her admission to avoid NFT).

This proposal was discussed and it is resolved to implement the modified rule with effect from the academic year 2015-16.
