ENTHUSE 2k22

Like every year, this year as well, ENTHUSE 2k22 was organized at Rajarambapu Institute of technology, Islampur on 24th May,2022. This event was held under the Electrical Engineering Students Association (EESA) of Electrical Department.

Inauguration of this event was done by Director of college Dr. Sushma Kulkarni. Chief guests of this event were Mr. Ramdurgkar Sir (Founder of AG Motors, Koyana Industrial estate Karad, Entrepreneur), Alumina of RIT Mr. Yogesh Hasabnis (Senior Digital Business Transformation Leader) and Mr. Karan Chavan (COE and Co-founder of TGP Bioplastic Pvt.Ltd). Three different kinds of experiences were shared by the chief guest and students were motivated and inspired to choose the correct path for their future.

This event contained total 5 events like MATSIM (event for improving the knowledge of MATLAB software), Campus star (event for improving Interview skills), Idea Master (event for improving paper presentation skills), Blast hunt (Treasure hunt), EV Racer (event of electric bicycle race), etc. Many students were participated in this event and made this event successful. This was guided by the EESA Coordinator Prof. K.N. Nathgosavi, EESA team and Volunteers of Electrical Department.

Farewell Function

FAREWELL 2k22 was organized by Electrical Engineering Student Association (EESA) of Electrical Engineering Department on 5th of July 2022. The head of the department with each and every faculty were there to make their presence felt for this auspicious ceremony. The event was greeted with words of wisdom for our outgoing batch by head of our department and senior faculty. We felicitated the students who have already been placed and are showing their bright colors towards their success.
