Electrical Engineering Students' Association (EESA)

The Electrical Engineering Students' Association (EESA) represents students within the Electrical Engineering department. EESA is an initiative by the students, for the students.

Goal:

The main purpose of the EESA is to provide a variety of educational experiences that will encourage organization members to broaden their knowledge and increase their enthusiasm for their chosen occupational areas.

Objectives:

- Provides opportunities for social interaction among organization members.
- Conduct various events like seminars, industrial visits, guest lectures, soft-skills development programs, fresher's party, farewell function etc. and also technical and nontechnical events for assisting students
- Increase knowledge and skills in planning, delegating, decision making
- Develop a more positive and realistic attitude toward themselves, their peers and the college.

FRESHER'S PARTY 2K22

Like every year, this year as well, FRESHERS Party 2k22 was organized at Rajarambapu Institute of technology, Islampur on 10th December, 2022. This event was held under the Electrical Engineering Students Association (EESA) of Electrical Department. This event was conducted under the guidance of EESA Coordinator Prof. Y. N. Bhosale, EESA team and Volunteers of Electrical Department. The purpose of Fresher's party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. This program started at 3:30 pm with inaugural speech of Dr .V N.Kalkhambkar Sir HOD, Electrical Engineering Department who guided students and welcomed them for their new fun learning journey.

Dr .P. K. Katti Sir, Professor of Electrical Engineering Department who delivered auspicious speech and greeted all the attendees present at the event. This event was anchored by Mr. Omkar Lokare and Ms. Snehal Suryawanshi. Vote of thanks was delivered at the end of official program.

ENTHUSE 2K22

Like every year, this year as well, ENTHUSE 2k22 was organized at Rajarambapu Institute of technology, Islampur on 16th November, 2022. This event was held under the Electrical Engineering Students Association (EESA) of Electrical Department.

Inauguration of this event was done by Director of our college Dr. Sushma Kulkarni. Chief guests of event was Mr. Vinayak Idade. He graduated from Walchand College of Engineering, Sangli and now works as Chief Executive Engineer in Vita, Different kinds of experiences were shared by the chief guest and students were motivated and inspired to choose the correct path for their future.

This event contained total 4 sub events like SIM-CKT which is the event for improving our technical knowledge regarding circuits with the help of online simulation, Campus star which is for improving Interview skills and to get basic idea related to campus, EV Racing which is event of electric bicycle racing to show our individual art, IPL Auction event for improving our financial management skills Many students were participated in this event and made this event successful. The students from various colleges also involved in this events like KIT Kolhapur, ADCET, Ashta, etc. This was guided by the EESA Coordinator Prof. Y. N. Bhosale, EESA team and Volunteers of Electrical Department.
