Department wise index with range:

Sr. No.	Department	Index	Range	Participants (%)
1	First Year UG program	3.03	0.40	84.10
2	Automobile Engineering	2.95	0.30	76.62
3	Civil Engineering	3.36	0.90	88.89
4	Computer Sc. & Engineering	3.26	0.60	71.88
5	Electrical Engineering	3.30	0.60	77.93
6	Electronics & Tele. Engineering	3.40	0.90	90.72
7	Information Technology	3.07	0.10	92.93
8	Mechanical Engineering	3.24	1.20	61.23
9	MBA	3.80	0.00	44.78

Questionnaire where score is less than 3.00:

Q. No	NAAC Questionnaire	score
4	The teachers approach to teaching can best be described as	2.9
13	The teachers identify your strengths and encourage you with providing right level of challenges.	2.9
14	Teachers are able to identify your weaknesses and help you to overcome them.	2.8

Suggestions received:

- Increase access to more industries regarding student internship and placement activities.
- Extend library utilization time for girl students.
- Encourage capstone projects in such a way that it could lead to startups.
- Increase frequency of field visits and arrange them during weekends.
- Online webinars are to be offered.
- Conducting activities related to skills development and training related to industry should be organized.
- Advanced courses and latest software tools related to latest technologies are to be increased in curriculum.
- Lockers are to be provided for students.
- Faculty interaction should be in effective and friendly manner.
- More technical clubs are to be encouraged.
- Same faculty member should check papers belonging to both the divisions of same branch so that marking scheme for the relative grading can be more effective.
- Teachers should know the students and their weakness.
- English communication skill of students and faculty should be improved.
- Management of annual sports events needs improvement.
- Book bank scheme is to be provided for all categories of students by considering preparation for examination.
- Students should be included in consultancy related work to enhance the theoretical/practical knowledge.
- Laboratories should be accessible even after office hours.

Complements received:

- Lecture monitoring system is effective.
- All faculty teaches in effective manner.
- Encouraging foreign languages.
- Arranging very good informative workshops/training programs.
