## 1. Online Mentoring System

In the first year, students are assigned with the mentor in induction program. The new online process has been established as 'Mentoring System' fro AY 2020-21. A faculty will be identified as a mentor for a group of 15 to 20 students. Students in groups will have mentors from the concerned department appointed in first year and will be continued till students' completion of graduation.

### Online Mentoring system:

The screenshot shows a web interface titled "Mentor Mapping". It includes filters for "Department" (Mechanical Engg.) and "Semester" (2021-22). There are buttons for "Add Mentors", "Export", "Independent Mentors", and "Print". Below these are buttons for "Mapping Head - Search" and "No Mapping - Details - Search Report". The main content is a table with columns: EnrollNo, Name, Class/Name, Branch/Name, and Marks. Each row has a status button (Wait, Print, or Done) on the left.

## Policy related to Mentor - Mentee

(Reference of Steering Committee 29/12/2021 meeting)

To ensure the overall development of students, it is decided to execute mentoring activities for the first and second year B. Tech/ MBA in the ratio of 20:1 with effect from A Y 2020-21.

The students should be mentored individually. The mentors should guide and shape their personalities to make them self-sustainable in the next years and in future career also.

The record of meeting should be maintained online at RITAGE.

This activity will be monitored regularly.

Four Language Proficiency trainers (Sr. No 155-158) are employed as they will focus on empowering students with language skills that will help them to develop listening, speaking, reading and writing skills. The interactive sessions will help students to achieve their goals in academics and career. The trainers provide special training on different modes on communication including formal writing skills like emails, notices & reports and oral communication skills like telephone, face to face interactions and presentaion skills.

## 7. Professional Counsellor System with meeting details.

Student Counseling Cell is working for overall development of the students.

### Objective of the Cell:

- To motivate the slow learners towards good academic performance
- To help the students to manage examination stress or fear
- To help the students to overcome depression because of family, academic or any other problem
- To help the students to make aware about importance of academic performance and invoke them to take part in various academic activities conducted by the institute
- To increase the number of students completing the course in four years with good academic record.

### Structure of the Cell:

Name	Designation	Contact No.
Dr. Mrs. Sushma S. Kulkarni	Director -Chairperson	9970700701
Dr. L.M.Jugulkar	Dean - Student Development, Member	9970700939
Dr. Jigna Shah	Personal Counselor, Member	8668621931
Mrs. Shailaja S. Patil	Head –Student Counseling Cell	9970700918

Student counseling Cell coordinates four activities:

- Parent Meet
- Merit Award distribution
- Individual Counseling
- Mentoring System

**Parent Meet:** Every department have Parent-Teacher Association (PTA). PTA Meetings were held on six monthly basis or as and when the need arises. Main objective of parent-meet is to let them aware of current scenario, institute policies, proposed plans and actions. Parent interact

actively, appreciate the efforts taken by Institute. The platform help to enhance bonding between Parent and Teacher and student.

**Merit Award Distribution:** To motivate and appreciate the class rankers of all classes from all branches and merited students of first year engineering classes (Entry Level Merit) are awarded the Merit Scholarship. Witness of this event was Parent, Student, and Faculty.

**Individual Counseling:** Individual Counseling Sessions are conducted by Dr. Jigna Shah (B.A.M.S. M.A. Psychology), working as a Personal Counselor. This activity help the students to overcome their family, personal, academic issues.

**Mentoring System:** The mentoring system is made online on RITAGE portal. In this system every faculty work as a Mentor and 15 to 20 students are allotted to each Mentor. Students in groups will have mentors from the concern department appointed in first year and will be continued till students' completion of graduation.

Every faculty work effectively as a mentor. Faculty interact with Mentee through offline/online mode. Every mentor support the students. Mentor motivate, guide and encourage the mentee. The Mentee problems are resolved as per the severity at Mentor level-Head of department level-Dean Student Development level-Personal Counsellor level. **Mentoring is run continuously and monitored regularly.**

**Statistics of activities conducted during last three years:**

Figures of parent meet and individual counselling sessions conducted in last three years is given in Table 1 and Table 2 respectively.
