Four Language Proficiency trainers (Sr No. 155 to 158) are employed as they will focus on empowering students with English language skills that will help them to develop listening, speaking, reading and writing skills. The interactive sessions will help students to achieve their goals in academics and career. The trainers provide special training on different modes on communication including formal writing skills like emails, notices & reports and oral communication skills like telephone, face to face interactions and presentaion skills.
